A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

This letter is in reference to the notice that Palmetto Utilities rate is most likely going from \$52 to \$66. When this company took over the sewer part from the City of Columbia, I was outraged. My sewer bill was no where near the cost of \$52. We are seniors and no one in the home but my spouse and myself. We only flushed toilettes when there was something besides pee, in an effort to conserve. I know good and well that when a company sets a generic cost for everyone, that cost is allowing for a profit that will carry them for some time. Since June 2018 they have been getting my \$52, which is above my prior cost. Now they want to increase it to \$66 which is 14.00 more per house hold. Just in my neighborhood that's over \$4,200.00. Somebody, needs to lookout for the average person, over the corporations putting money in their pocket. Thank you for reading this email, and I hope it makes a difference.

Sandra
